Gentlemen: -I consider it a duty which I owe suffering humanity to hear testimony to the virtues of Dr. Wistar's Balsan or Wild Cherry. I have used it—when I have had occasion for any remedy for Coughs, Colds of sore Throat-for many years, and never, in a single instance, has it falled to relieve and cure me. I have frequently been very hourse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a fiberal use of the Baisam my loarseness has invariably been removed, and 1 have eached without difficulty.
I considered it to my brethren in the ministry, and to the speakets nearefully, as a certain remedy for the eachful troubles to which we are peculiarly exposed.

the Basam does not affect all persons alike, but it always removes my hourse sees, and fits me for the minister's hard working day—the Sabbath. Very truly yours. FRANCIS LOBDELL. PRICE ONE DOLLAR A BOTTLE. PREPARED BY
